

OUR MISSION

To serve the US Government in their mission critical IT equipment and services and to serve end users as a long term partner invested in mutual success.

WE ARE UNIQUE

CPG has provided full lifecycle mission-critical infrastructure solutions to Fortune 1000 companies, and government agencies. We deliver the electrical and environmental products and services needed to efficiently and reliably power, protect, and operate the most mission-critical facilities on Earth.

In addition, CPG has obtained a DSS facility clearance, which allows us to support customers with unique requirements, both in the states and overseas.

CPG Government Data Center Solutions

CRITICAL INFRASTRUCTURE SOLUTIONS

The Critical Infrastructure Solutions team provides mission critical equipment, services and advocacy to end users as a long term partner invested in mutual success.
